The following evening on March 12th, 1980, Moderator Horace Cressy called the meeting to order at 7:40 p.m. Rev. Everett Scruton opened the meeting with a prayer and Chief Hess led the Townspeople in the Salute to the Flag. The remaining articles were acted upon as follows:

ARTICLE III - Ernest Bonah, Selectman, made a motion that \$56,900 be appropriated to defray town charges for the ensuing year and to make appropriation for the same, duly seconded by Peter Martin. Mr. Bonah itemized the expenses and explained the increases. The article was voted in the affirmative.

ARTICLE IV - Moderator Horace Cressy read article "To see if the Town will vote to raise and appropriate the sum of \$215.06 for the improvement of Class V roads. John Santosuosso, Highway Agent, moved to accept the article as read, seconded by Edward Hess. It was voted in the affirmative.

ARTICLE V - Anne Verge, Selectmen, made a motion to accept the article authorizing the Selectmen to administrate, sell, or otherwise dispose of any real estate acquired by Tax Collector's Deed, any sale to be either by private sale to the previous owner or by public auction with the Selectmen retaining the right to reject any or all bids. It was seconded by Wallace Verge and so voted.

ARTICLE VI - Ernest Bonah, Selectman, moved that the Town authorize Selectmen to hire money in anticipation of taxes, seconded by Peter Martin and voted in the affirmative.

SOUTH HAMPTON TOWN REPORT

ARTICLE VII - Moderator, Horace Cressy, read article “To see if the Town will authorize the Selectmen to make application for and receive and spend in the name of the Town, such advances, grants-in-aid, or other funds for Town purposes as may now or hereafter be forthcoming from Federal, State, local or private agencies that would be of benefit to the Town.” Peter Martin, Selectman, moved that the article be accepted as read, seconded by Peter Bryant and so voted.

ARTICLE VIII - Anne Verge, Selectman, made a motion that the Town join the Southeastern New Hampshire Regional Planning Commission and authorize the Town’s representation and appropriate the sum of \$364.80 for this purpose, seconded by Ellen Cressy. James Quinn asked for an explanation of what the Commission does. Wallace Verge, Planning Board Chairman, stated that it provides useful information for the Town’s Master Plan. Fred Anderson added it creates maps for this purpose too. The article was voted in the affirmative.

ARTICLE IX - Ernest Bonah, Selectman, moved that the Town raise and appropriate the sum of \$500 for the support of the Seacoast Regional Counseling Center, seconded by Audrey Miller. The article was voted in the affirmative.

ARTICLE XI - Anne Verge, Selectman, made a motion that the Town raise and appropriate the sum of \$45 for the support of the Rockingham Child and Family Services, seconded by Jane Amsler. It was explained that it handled family problems as opposed to individual problems that Seacoast Counseling would deal with. Peter Oldak suggested listing the various organizations and services they provide in future Town Reports. The article was voted in the affirmative.

SOUTH HAMPTON TOWN REPORT

ARTICLE XII - John Santosuosso moved that the Town raise and appropriate the sum of \$6,500 for the Police Department, seconded by Norman Felch. Mr. Santosuosso explained the increase. A Budget Committee Member was asked why they did not recommend \$500 of this amount. Vincent Early spoke for the Committee stating it was up to the Town to make the final decision. Lawrence Baker questioned the estimate for gas and mileage. The article was voted in the affirmative.

ARTICLE XIII - Edward Hess, Fire Chief, moved that the Town raise and appropriate the sum of \$500 for the maintenance of water holes and installation of a dry hydrant, seconded by Alan Philcrantz and so voted.

ARTICLE XIV - Burchard Stackhouse, Recreation Commission Member, made a motion that the Town raise and appropriate the sum of \$300 for recreational purposes, seconded by William Courtney and so voted.

ARTICLE XV - Edward Hess, Fire Chief, moved that the Town raise and appropriate the sum of \$4,000 to run the Fire Department, seconded by Paul Morris. Mr. Hess briefly itemized the expenses. The article was voted in the affirmative.

ARTICLE XVI - Peter Martin, Selectman, moved that the Town raise and appropriate the sum of \$2,800 to pay off the note on the fire truck, seconded by Edward Hess. It was noted that this amount does not actually pay off the note but is this year's payment. It was voted in the affirmative.

ARTICLE XVII - Edward Hess, Fire Chief, made a motion that the town appropriate \$1,000 to purchase hose for the Fire Department and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. The article was seconded by Norman Felch and voted in the affirmative.

ARTICLE XVIII - John Santosuosso, Highway Agent, moved that the Town appropriate \$3,000 for the maintenance and upgrading of the Town Bridges on Hilldale Ave. and Whitehall Road and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund

SOUTH HAMPTON TOWN REPORT

established under the provisions of the State and Local Assistance Act of 1972, seconded by Edward Hess. Mr. Santosuosso explained that the State inspected both bridges and stated in a letter that the Hilldale ave. Bridge is capable of carrying passenger cars only. It was voted that the fire truck and school bus should not go over it and straightening of the bridge was also discussed. William Courtney read the letter and stated that with the recommended installation of diaphragms, the bridge could be posted for gross weight limit of 10 tons. Edward Hess commented that the fire truck weighs more than that. William Amsler suggested that the bridge be made safe but not straightened. The article was voted in the affirmative.

John Santosuosso made a motion to reconsider Article 18 to increase the money to be used on the Hilldale Ave. Bridge, seconded by Ann Zammitti, After further discussion, the motion was voted and lost.

ARTICLE XIX - Transaction of Other Business.

The Moderator introduced Peter Bryant, newly elected Selectman.

Fred Anderson moved that the Board of Selectmen notify the New Hampshire Public Utilities Commission and the Site Evaluation Committee that the Town Meeting requests that they conduct a public hearing to consider the alternative of underground high voltage lines vs. overhead lines in terms of the impact on "esthetics, historic sites, air and water quality, the natural environment and the public health and safety." It should also be notified that it is the opinion of the Town Meeting that such factors were not considered during the 1973 hearings and that new information concerning these issues is now available. The motion was seconded by Peter Oldak. The Supreme Court's decision against the Towns was discussed and it was suggested that copies of the letter be sent to the Governor and Representatives. The motion was voted in the affirmative.

SOUTH HAMPTON TOWN REPORT

John Santosuosso again questioned the whereabouts of the settees stored in the barn formerly owned by Peter Eaton. Ernest Bonah, Selectman, said he had spoken to Mr. Eaton and was told they were moved to the Town Hall. He will check to see that they are actually there.

Norman Felch moved that the Town vote life tenure for Police Chief and Fire Chief After five years' service. The Moderator ruled that Mr. Felch would have to petition the Selectman to have this put on the ballot.

Ellen Cressy commented on the Pow Wow River Watershed Association and urged Townspeople to join this conservation group.

Fred Anderson moved that the Board of Selectmen notify the Nuclear Regulatory Commission that the Town Meeting opposes the issuance of an operating license for the Seabrook nuclear plant because of the inability of the Town to safely and expeditiously evacuate in the event of an accident at the plant, given lack of manpower and hardware. Further, the Board is instructed not to expend any funds for evacuation planning or implementation, unless all related costs are borne by Public Service Co., the plant operator. The motion was seconded by Peter Oldak and voted in the affirmative.

Vincent Early made a motion to adjourn the meeting at 10:00 p.m., seconded by William Amsler and so voted.

Mary Mertinooke, Treasurer, was sworn in by the Moderator.

Respectfully submitted,
CAROL A. BAKER
Town Clerk

SOUTH HAMPTON TOWN REPORT

REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen meets in open session at the Selectmen's office in the Town Hall on the second and fourth Tuesdays of each month at 7:30 p.m. At this time, in addition to its regular business of overseeing the operation of the Town, the Board is available to discuss matters with individual residents.

In addition to scheduled meetings, the Board spends many hours each year in the preparation of required federal, state and local reports, most of which relate to the raising and appropriation of funds for the operation of the town.

The Selectmen have begun the task of reviewing property assessments. This process requires a great deal of time, and while many hours were devoted to the project in 1980, it is questionable whether the job can be completed in 1981.

Beside the Board's work in assuring the delivery of town services, the Selectmen have been active in meetings relating to Public Service Company's proposed overhead power lines. Additionally board members have attended civil defense planning sessions relating to possible natural and man-made disasters.

FIRE DEPARTMENT REPORT FOR 1980

The Fire Department had a total of 32 calls in 1980.

Grass Fires	4
Woods Fires	2
Assist to ambulance.....	1
Brush fires.....	2
Trash fire.....	1
Chimney fires.....	6
Auto accidents	6
Assist to public	1
Oil burner fire	1
Faulty alarm system	1
Electric wires down.....	1
Mutual Aid to Amesbury	3
Mutual Aid to East Kingston.....	2
Logging Accident	1

Two oil burner permits were issued this year.

This year we had to have a major repair job done on the fire truck. It was sent to the Mack Company for a valve job. This was a cost to the town of \$1,295.04.

There are a total of 14 men on the fire department 1 chief, 1 deputy chief, 1 lieutenant, and 11 privates. As in past years, all of the men have volunteered a lot of hours for drills and work in the fire station. There are many new methods of fire fighting that every man must know. In order to keep up on these methods, every man takes different types of training courses, Two of our men deserve special thanks for their services in the past; Norman Felch for his time spent on the Board of Engineers, and Richard Clark for his services as fire department mechanic. Richard Clark has resigned from our department, as he has been made a full-time firefighter in Amesbury. We certainly appreciate all the time and services he has given us in the past years.

SOUTH HAMPTON TOWN REPORT

Wood stoves have been installed in many homes this past year; use them wisely and carefully. Follow all instructions on installation for your safety. Check with your insurance company to make sure that you are covered if you install a wood stove. Most of all, don't cut corners to save money.

This year Lt. John Gamble graduated and became an Emergency Medical Technician. Dan Goldthwaite and Fire Chief Edward Hess will be attending E.M.T. School in 1981, funded by a Federal Grant to the state.

Each and every family and business in town have done a great job in fire prevention. It really shows, as there weren't any structure fires this year. Keep up the good work.

If you have any questions pertaining to fire regulations, installation of wood stoves, or oil burners permits, feel free to call me at my home -- 394-7590.

If any one is interested in joining the Fire Department, give me a call and I'll be glad to answer any questions you may have.

REPORT OF THE FOREST FIRE WARDEN
AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

POLICE DEPARTMENT REPORT

This past year was very busy for the department. We have covered a wide variety of calls and complaints, No one item is the increase in people stealing wood. Increases in Vandalism is second, inflation lack of work, high gas and food and rent prices are causing a steady increase in this type and it looks as it is going to get worse. We have given free time to all Town functions and non profit organizations. We have also donated many free hours to Amesbury Days and races and such. Our cruiser as a visible vehicle I think has helped us a lot in a lot of cases where a private car does not command attention that a marked car does. Cruiser uses no oil and is in pretty fair shape. Again we ask everyone to join us in the fight against burglaries by reporting any suspicious activity, persons, or vehicles that you see. Write down the description of the person or vehicle, and the plate number if possible. Also let us know if you are planning to go away on vacation. We would like to thank everyone who worked along with the department in the past year to help make the job a little easier. We on the Department will miss Lloyd Currier, 'who for years maintained our radios free of charge at all hours, and we would appreciate your support on our police budget so that we may continue to give you the best service possible.

The State Bookmobile visited us three times and left 572 books for loan, plus three mini-collections. We requested and showed 6 films. The summer reading program, BOOKTREK, ADVENTURES IN READING was a huge success. This year we awarded prizes for the best bookmarks and for the person who found the lost planet. We now have a total of 56 patrons who hold the New Hampshire Statewide card, and at the request of patrons have borrowed 39 books directly from the State Library. Framed prints were added to our collection this year and we have had 6 prints on loan to 11 patrons. For the 6th consecutive year, we have received recognition from the State Library Development Program.

SOUTH HAMPTON LIBRARY TRUSTEES REPORT 1980

South Hampton Yesteryear was the title of a slide/audio presentation which proved to be one of the most popular programs offered by the Library in 1980. Mrs. Sarah Embree and Librarian Carole McCarthy worked together to develop a slide show with accompanying tape narrative that was presented on Election Day, March 11th. Old documents, books, maps, pictures and other items of historical interest were also displayed. Children from the Barnard School came to the Library in classes to view the slide show. Interested members of the Bartlett Museum also came to South Hampton to see the presentation.

The Library was able to purchase a new set of the Encyclopedia Americana this year. The old set of encyclopedias was given to Mr. Maloof's class at the Barnard School.

The Summer Reading Program was very successful. Fifty children participated in this program sponsored by the South Hampton Friends of the Library. The Friends also held an open house at the Library in April to celebrate National Library Week. Volunteers provided by the Friends staffed the Library on Monday evenings and helped the Librarian on Wednesday afternoons when the school children visit the Library. The Friends also had the display table at the Library refinished. We wish to thank the Friends for their continued support of the Library.

We also wish to express our gratitude to John Gamble and Horace Cressy who each donated a truck load of firewood for a raffle held in November. The proceeds were used to buy children's books.

The Librarian completed a course on cataloging at the University of New Hampshire. She will be continuing her courses at the University with the goal of certification in public library techniques.

The Trustees meet once each month at the Library, and all meetings are open to the public. Please bring your suggestions and criticisms to the attention of the Trustees.

Breif resume of work done this past year:

All roads were patched through out the year, quite a lot of brush was cut, a lot more has to be cut this year. Ditches were cut on some of the real bad spots more to be cut this coming year, between this and a few trees to close to edge of roads in some spots are causing icy problems and water run off, also with more and more land being sold and made into house lots we are causing more and more problems with water and ice, which we are trying to cure with ditches and proper driveway approaches. We have used Hot Top to build up bad places in roads and also spot tarred bad crackes and sections that are showing wear. If something isn't done to curb or limit heavy hauling on these so called back roads, we will be back to all dirt roads. I have tried to do this, with signs, but signs last about one day, all bridges were posted with weight limits but they are all gone. This year we are asking for the same amount of monies to try to keep our roads in shape, or I should say in Passable shape, not like some roads near us.

REPORT OF THE PLANNING BOARD

During the past year the Planning Board has been involved in interpreting South Hampton's zoning ordinances. We've also been actively working with the Master Plan Committee on the town's master plan, which spells out the town's short and long term needs relating to fire protection, police protection, educational needs, etc. The plan is necessary for the protection of the zoning ordinances already in effect. It is hoped that the plan will be drafted and presented to the Planning Board in 1981. Concerned townspeople are urged to participate.

The Planning Board meets the first Tuesday of each month with the exception of July and August at 7:30 P.M. in the Town Hall. We have tried to conduct our Master Plan Committee meetings concurrently.

RECREATION COMMISSION REPORT

During the past year the Recreation Commission organized a volunteer effort to substantially improve the town's baseball field. The project included the removal of all grass and weeds from the base paths and filling this area of the infield with a two inch layer of crushed lime-stone. The time and effort of those involved was appreciated.

As in the past, the town's tennis court continued to be a major recreational facility. To insure that the court is not harmed, it is asked that all observe the rules for proper footwear and use.

CONSERVATION COMMISSION REPORT

The Conservation Commission acts as an investigatory and advisory group assisting both the Selectmen and the Planning Board. In this connection it insures that our natural resources, such as the Powow River, are not harmed by pollution or improper real estate development. The Wetland areas are an important aspect of South Hampton and add greatly to the quality of life we all enjoy.

If any residents are interested in the commission's work as would like to actively participate as a member they should contact commission members or the selectmen.

To the Members
of the School Board
South Hampton School District
South Hampton, New Hampshire

We have examined the financial statements of the various funds and group of accounts of the South Hampton School District for the fiscal year ended June 30, 1980, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As is the practice with many municipalities in the State, the South Hampton School District has not maintained a record of its general fixed assets and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

In our opinion, the financial statements listed in the aforementioned table of contents present fairly the financial position of the various funds and group of accounts of the South Hampton School District at June 30, 1980, and the results of operations and the changes in fund balances of such funds for the year then ended in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The accompanying supplemental information and the column on the accompanying financial statements captioned "Totals, Memorandum Only" are not necessary for a fair presentation of the financial statements, but are presented as additional analytical data. The supplemental information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements listed in the foregoing table of contents and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

ANNUAL MEETING

South Hampton, New Hampshire
March 4, 1980

The Annual Meeting of the South Hampton, N.H. School District was called to order by Moderator, Horace Cressy at 8:00 p.m. with 25 people in attendance. The warrant now attached to page 228 was read.

Horace Cressy made the motion "to let the representatives of Union 21 speak if they are called upon to answer questions." Ted Nelson seconded, voted in the affirmative.

ARTICLE I - Patricia Nelson moved that the sum of \$292,476.00 be raised for the support of schools, seconded by Lawrence Baker. Comments were made on the budget by Ted Nelson, and Thomas Harlow questioned the tuition account. After Discussion, the article was voted in the affirmative.

ARTICLE II - Lawrence Baker moved that this article be accepted as read, seconded by Walter Hill. Dr. Richard Hamilton, Supt. spoke on what a contingency fund was. Voted in the affirmative.

ARTICLE III - The town voted to express their appreciation to Sandra Landis for her eleven years of teaching grades 3 and 4. Mrs. Landis resigned her position because of her husband's job relocation. Seconded by Audrey Miller.

Thomas Harlow led a discussion on our tuitioning our students to Amesbury High. It was felt we should have more input for the amount we are paying. After much discussion, Mr. Harlow then made the motion, "That the school board continue a search for alternative high school education facilities in the state on New Hampshire and to make this a continuing process." Seconded by Ted Nelson, all in favor - so voted.

Walter Hill spoke on what the board has done so far in trying to get our students into a vocational school and which ones were available in the area that they were pursuing. Mr. Harlow stated the board should be commended.

SOUTH HAMPTON TOWN REPORT

Vincent Early made the motion to adjourn the meeting at 8:40 p.m. seconded by Barbara Knapp.

Respectfully submitted,
AUDREY G. BRUNET, CLERK

SOUTH HAMPTON TOWN REPORT

SOUTH HAMPTON SCHOOL DISTRICT SCHOOL BOARD REPORT

To the citizens of South Hampton, New Hampshire

BUDGET

A budget proposal was submitted to the Budget Committee and eventually to the South Hampton School District meeting with one of the lowest increases in recent years. The school board was asked to look meaningfully at the budget. We hoped to avoid an extraordinary tax increase this year. The budget submitted this year is a 5.8% increase over 1980. The state is continuing to mandate programs of special education, but not providing adequate funding.

JOINT BOARD

The three members of the South Hampton District School Board met with five other districts in Supervisory Union No. 21 as the governing body of the supervisory union. The budgets, policies, and personnel administration was discussed. Lawrence Baker of the South Hampton School Board was elected Chairman of the Joint Board this year. We are a small school district, but hold many responsible positions within the union.

ACCOUNTABILITY COMMITTEE

For the past year, the accountability committee has met to work on developing Performance Indicators [PI's] and Essential Student Outcomes [ESO's]. These tests will be administered to students in the fourth, eighth and eleventh grades in the union. This year, your School Board Chairman, Walter Hill was elected chairman of this committee. Your citizen representative, Ted Nelson was chairman of the Operations Committee, Our teacher representative was Beverly Peeke and Principal, Terry Marinos who were also very active.

SOUTH HAMPTON TOWN REPORT

TEACHER CONTRACT NEGOTIATIONS

Lawrence Baker, school board member, is South Hampton's representative on the negotiations committee. They have met weekly since June. Additionally, a few concentrated sessions lasting thru the weekend and into the morning hours were necessary to complete a contract agreement. This is a very active committee doing a larger share of work than is normally asked of committees. The teacher contracts represent the dedicated participation of our school boards.

VOCATIONAL EDUCATION

This year, we were very proud to have three students placed in vocational education programs. This is the first time we have had this curriculum available to our students. Patricia Nelson, school board member, was responsible for most of the organizing of this program. The New Hampshire Region No. 18 Vocational School in Exeter opened in September of 1980. Students are admitted in their junior and senior years of high school. We have an annual quota of four juniors and four seniors designated from South Hampton. The program is exceptional . It is what South Hampton has been working toward for many years.

We would like to express our appreciation for a very successful year to the administration and teachers of Barnard School.

Respectfully Submitted,

WALTER M. HILL, JR. Chairman
LAWRENCE A. BAKER
PATRICIA K. NELSON

SOUTH HAMPTON TOWN REPORT

To the Citizens of South Hampton:

I submit, herewith, my annual report for your School District.

A small educational unit has to always battle to produce quality education at a reasonable cost. In my opinion your School Board and staff do very well -- both in terms of quality instruction and diversity of programs.

Additional opportunities are being provided through involvement in the Region #18 Vocational Education Center. I believe a greater percentage of your students will participate as the opportunities get more visibility.

The theme of my district reports this year is "centering down."

"Centering down" to me means a placing of one's interest in a central focus, a separating of the important and the not so important, mentally reducing things to a discernible entity.

To "Center down" in regard to our children is to me a putting into focus what we are here for. Children exist because we as parents want them. They are here because we have made a commitment.

The commitment may be listening to a first grader's chatter about what she had for lunch at school or it may be standing in a cold wind watching a son playing soccer. For that time one is "centering down" on his youngster and in so doing is helping him develop toward one's expectations.

I am often asked by a parent what can be done to help a student having trouble in reading. I am tempted to say the best moments to help have gone by. Sometime probably during the second year a bedtime ritual of reading should have been established. One hundred and one nights of reading the same Dr. Seuss episode may be tedious except for the knowledge that one is "centering down."

SOUTH HAMPTON TOWN REPORT

Have you “centered down” by climbing into a tent formed by the kitchen chairs and an old blanket?

Have you “centered down” by agreeing to putting up with what goes with a puppy?

Have you “centered down” as a grandparent?

Nobody can “center down” for a child like a parent or a grand parent can. The school, the town recreation league, and the television are not poor substitutes in that they aren't even substitutes..

The problem of time in “centering down” with offspring is compounded by the economy. To have a good paying job often means travel and a ten or eleven hour day. In many families to try to survive on one paycheck is unrealistic and a second family member has to be away from the nest. Not only is together time diminished but the spinoff effects of the working world such as frustration, anxiety, and guilt lead to the further separation of the family fiber.

An inflationary economy hurts us all. It is not a question of getting a raise to be able to enjoy a better standard of living. Rather it is a struggle with the grocery store, oil supplier, money lending institution and seemingly everyone else we have financial transactions with. We have to fight to maintain what we have. Few are able to do it.

I shudder when I price a testbook the same way you do every time you pull a box of cereal off the shelf in the supermarket. I am apprehensive about every electric bill for our schools. I peruse fuel oil bills with the same feeling of frustration I have when I pull up to a gasoline pump.

I wish I could tell you that your School District has found the ansewr, that here in South Hampton we are going to turn the economy of the country in a favorable direction.

SOUTH HAMPTON TOWN REPORT

Such is not to be. I will continue to spend a great deal of time with your Board members and your Principal and we can soften the impact but in the final analysis, the cost of operating the Barnard School will be affected by the inflationary spiral.

Notwithstanding the above, it is a pleasure to be part of the process of educating your children. I appreciate the efforts of all of you who are also directly or indirectly involved.

Respectfully submitted,
RICHARD C. HAMILTON, Ed.D.
Superintendent of Schools.
